## GROUP EXERCISE CLASS DESCRIPTION

**\*BOXING-** Focuses on learning the fundamentals of boxing through striking and heavy bag work. Participants will practice basic punches, combinations, and footwork. \*Please note: This class is not run by the YMCA. It is offered by an independent affiliate program with their own instructors, who manage instruction and class operations.

**DANCE CARDIO-** Combine dance with cardio to get a fun upbeat workout!

**HIIT-** Is a high-energy workout combining strength training and cardio through timed circuits. Move through stations using dumbbells and bodyweight exercises to build strength, boost endurance, and burn calories.

**\*JUDO ADULTS/ADV. YOUTH-** Is a dynamic martial arts class focused on advanced technique, balance, and controlled throws. Participants will build strength, agility, and discipline while refining skills through drills and partner practice. \*Please note: This class is not run by the YMCA. It is offered by an independent affiliate program with their own instructors, who manage instruction and class operations.

**\*JUDO 6-12 YEARS OLD-** A dynamic martial arts class that focuses on balance, technique, and controlled throws. Youth ages 6-12 will learn fundamental skills, build strength and coordination, and practice discipline in a fun and supportive environment. \*Please note: This class is not run by the YMCA. It is offered by an independent affiliate program with their own instructors, who manage instruction and class operations.

**MUSCLE PUMP-** A barbell workout that incorporates all muscle groups. In this class you will work on endurance and strength!

**PILATES FOUNDATIONS-** Is a beginner-friendly class focused on building core strength, stability, and body awareness. Learn the fundamental Pilates movements and proper form through controlled exercises performed on the mat.

**POWER CYCLE-** Power through a spin class that is geared toward pushing hills and resistance.

**SPIN-** Ride through intervals, climbs, and sprints set to motivating music while controlling your own resistance and pace.

**\*STEADY&STRONG-** Is a specialized exercise program designed to help individuals with Parkinson's improve strength, balance, mobility, and confidence through guided movement and functional exercises. \*Please note: This is a closed class, and participants must complete an evaluation before joining. A Parkinson's diagnosis from a physician is required prior to participation to ensure the program is appropriate and safe for each individual.

**\*TAEKWONDO-** A dynamic martial arts class that focuses on kicks, strikes, discipline, and self-defense techniques. Participants will build strength, coordination, flexibility, and confidence while learning traditional Taekwondo skills. \*Please note: This class is not run by the YMCA. It is offered by an independent affiliate program with their own instructors, who manage instruction and class operations.

**Y-FIT-** A fun, full-body workout using creative movements and challenging circuits to build strength and endurance. Move through a variety of stations with weights and functional exercises that keep things fresh, engaging, and effective.

**YIN YOGA-** Focuses on breath control, meditation and deep stretching to improve overall health and relaxation.

**YOGA BEGIN-** Is for anyone who would like to increase their flexibility and range of motion. Use equipment such as foamrollers, exerciseballs, and balancing blocks to relieve tension from and increase bloodflow to muscle tissues.

**YOGA PM-** Is for anyone who would like to increase their flexibility and endurance. This yoga class stretches the muscles while also giving you a great workout.

**YOGA AM-** Relax in the mornings with a 6am yoga class. In this class you can get a deep stretch before starting your day.

**WATER AEROBICS-** A low-impact, full-body workout performed in the pool to improve strength, endurance, and flexibility. The water provides natural resistance while being gentle on the joints.
